

ANNOUNCEMENTS

INACTIN

The injectable anesthetic, Inactin, is no longer available. The Renal Section of the American Physiological Society plans to approach a company to produce and distribute this compound, but first the demand must be determined. If readers of *JASN* are interested in purchasing Inactin, now or in the future, indicate the amount of Inactin you use on a yearly basis and the amount you initially wish to purchase and write to:

Dr. Richard Roman
Department of Physiology
Medical College of Wisconsin
8701 Watertown Plank Road
Milwaukee, WI 53226
