INACTIN

The injectable anesthetic, Inactin, is no longer available. The Renal Section of the American Physiological Society plans to approach a company to produce and distribute this compound, but first the demand must be determined. If readers of JASN are interested in purchasing Inactin, now or in the future, indicate the amount of Inactin you use on a yearly basis and the amount you initially wish to purchase and write to:

Dr. Richard Roman
Department of Physiology
Medical College of Wisconsin
8701 Watertown Plank Road
Milwaukee, WI 53226

ASN ANNUAL MEETING
