NATIONAL KIDNEY FOUNDATION SPRING CLINICAL MEETING

The National Kidney Foundation (NKF) will present a comprehensive clinical meeting April 10–12, 1992, in Chicago, IL, entitled "Consultative Nephrology." It will offer nephrologists sessions on prevention of acute and chronic renal failure. In addition, a state-of-the-art interactive computer workshop will address the care of elderly hypertensives and hypertension in blacks, using case analyses. A special "Meet the Experts" luncheon will highlight the second day of the meeting. Other topics on the program include: adequacy of dialysis, erythropoietin in chronic renal insufficiency, diabetes and renal disease, interstitial renal disease and AIDS nephropathy. There will also be a half-day satellite meeting on peritoneal dialysis. Commercial exhibits will be open to all registrants. The Renal Physicians Association will sponsor a special symposium in conjunction with this NKF program, entitled "ESRD: Medical and Socioeconomic Factors that Affect Survival." All events will be held at the Downtown Marriott, 540 North Michigan Avenue, Chicago, IL 60611. For additional information, please write the National Kidney Foundation, 30 East 33rd Street, New York, New York 10016 or phone that office at (800) 622-9010.

FIFTH INTERNATIONAL WORKSHOP ON POLYCYSTIC KIDNEY DISEASE
